Re: Agenda Item #5.1 Park Land Dedication Ordinance

Dear Chairperson Cox and Members of the Environmental Planning Commission:

The League of Women Voters of the Los Altos-Mountain View Area would like to comment on the proposed Park Land Dedication Ordinance.

The proposed ordinance appears to raise complex issues related to park land dedication requirements for affordable housing projects. We hope the EPC will recommend to Council that before a decision is made regarding these requirements, input from the Community Development Department and, most important, from affordable housing developers is necessary. Having this information will inform the Council's policy decision regarding the various options proposed by staff.

Sincerely yours,

Donna Yobs
