City Council Meeting, January 15, Agenda Items #3.1 and 8.1 – Appointments to Rental Housing Committee

Dear Mayor Matichak and Members of the City Council:

Last year, our local LWV studied the charter amendment, Measure V, endorsed by Mountain View voters in the November 2016 election. At our “consensus” meeting last spring the League membership agreed to support CSFRA, as the amendment is known.

As a result, we urge the Council to appoint new members to the Rental Housing Committee who support fair implementation of the policies included in CSFRA.

Thank you for considering our input.
