Re: Planning Commission Meeting Sept. 5 – 5150 El Camino Real Development

Dear Chair Samek and Members of the Planning Commission

The League of Women Voters of the Los Altos-Mountain View Area is pleased to see the 28 below-market-rate units (BMRs) proposed for this development. These BMRs, along with the market-rate units, will give an enormous boost to the RHNA allocation of Los Altos with regard to all categories.

We also believe that El Camino Real is an appropriate place for five stories; the project will fit in with its El Camino neighbors. Finally, we think that higher density along El Camino is in keeping with the Los Altos General Plan and its vision for El Camino Real.
