Re: City Council Meeting February 5th – Council Priorities

Dear Mayor Pepper and Members of the City Council:

The League of Women Voters of the Los Altos/Mountain View Area once again urges the Council to make affordable housing a priority. We applaud the Council for its recent approval of 5150 El Camino Real, including the effort to add more below-market-rate units (BMRs) to this development.

We are also pleased to learn that Staff is ensuring that Los Altos is in compliance with recent State law changes to ADU requirements.

Nonetheless, the lack of housing affordable to service and retail workers, teachers, public safety employees, and seniors is one of the most important issues facing our community. We hope this Council will prioritize finding solutions for this problem.

Sincerely,

Sue Russell
