City of Mountain View

Re: Council Meeting March 27th

Agenda Items # 4.1#TogetherMV and 5.1 Urgency Ordinance Temporarily Suspending Evictions

The LWV commends the Staff and Council for taking critical steps to help City residents and businesses during this coronavirus crisis. We applaud the Staff for proceeding quickly regarding sanitation and other services for the homeless and unstably housed. We also are pleased to see Staff recommendations that the City adopt an **Urgency Ordinance** regarding evictions related to the coronavirus that is more protective than the County ordinance.

We urge the Council to approve the **Staff recommendations** outlined in both 4.1 and 5.1. We hope the Staff and Council will continue to be pro-active in monitoring this health crisis and take further steps to help as advisable. It is concerning that the County's \$11 million fund has already been allocated, indicating the **enormity of the need**.
