Re: Council Meeting May 5 – Agenda Item #6.1- 355-365, 401 and 415 East
Middlefield Road Residential Development

As the LWV supports affordable housing for all Californians and efforts to improve the jobs/housing imbalance, we support the project at 355-415 East Middlefield Road.

We are very pleased to see Summerhill propose a large residential project of 463 housing units which include a diverse housing mix, condos and townhomes, and rentals for BMRs targeted to lower and moderate-income households.

We urge the Council to approve this project which is consistent with the principles of the East Whisman Precise Plan.
